German - American  
School of Ft. Lauderdale

'German-American School of Ft. Lauderdale'

[www.germanschoolfl.com](http://www.germanschoolfl.com)

Tel.: 954-288-7599

'Lernen mit Kopf, Herz und Hand'

Dear parents,

we wish to welcome you to the German-American School of Ft. Lauderdale, and look forward to a cooperative relationship and a fun and educational school year.

We would like to inform you about our daily routine at our school, as well as items needed for our school life.

According to the Montessori philosophy, our primary goal is to teach the motto "Help me to do it myself". The main objective is to give the child a balanced value of the world. Mutual respect, a friendly together, and the fundamentals of learning letters, numbers, etc. are of great importance.

Please note that this is only possible if the parents support us also from home. Let your children discover and give them the opportunity to have new experiences. Rules and limits at school should also be observed at home such as, we sit at the table during the meal, we sit in the chair and listen to the teacher/parents etc..

During the work with the Montessori materials, the children sit on a carpet with one of the materials and work independently. This gives the children the chance to deal intensively with something and promotes concentration. The materials also give the children the possibility of self-control, resulting in an increase of motivation. Try to set up an area at home where your child can work quietly and concentrate. Use this ritual for your own daily life. The more we work together as a preschool and family, the more we can achieve.

Following, please find some information and / or items needed for your child (ren) for the upcoming school year, as well as rules we have established, which serve the security and assurance of your child's learning and helps us to have a smooth course of the day.

Please...

- Bring your child (ren)'s Health Examination Certificate and Immunization Form DH 680, if you have not done so yet.
- Fill out the 'Child Questionnaire' and return it to the teacher.
- Have your child (ren) bring a healthy snack and lunch every day (please no artificial food coloring, candy and sweets!).
- Donations for our snacks, durable products, such as unsweetened cereal, pretzels, juice bottles, etc., are always welcome and greatly appreciated!
- Bring in a 'change of clothes' in a bag with the child (ren)'s name on it.
- Birthdays will be celebrated according to the 'Montessori Birthday Celebration'. The children are welcome to bring in any 'Birthday Treats' to share with their classmates.

- Class starts at 8:30 a.m., we kindly ask you to bring the children no later than 9:00 a.m. We will close the classroom doors from 9:00 – 9:30. Nobody can enter the classroom during the 30 minutes, since we perform the morning circle, a time of great educational value. Interruptions draw the children's attention away from the teacher and the learning process.
- During dismissal, the children will be accompanied to the door by the teacher, so that no unrest in the group comes up.
- Due to liability and safety reasons, and in order to ensure a continuous education, the 'German-American School' grounds are only to be used by the children under the supervision of teachers throughout the course of a school day. Please leave after dismissal.
- Our cubbies for the children are limited in space and we would like to ask you to bring only light blankets.
- Fridays is 'German School T-Shirt', toy and pizza day, please bring \$4.00, if you wish for your child to eat pizza.
- Please bring a refillable water bottle with your child's name clearly marked on it.
- Please have the children wear closed toe shoes, since the playground is covered in mulch and sand.
- Review our parent policy handbook and our yearly calendar with the holidays.

Our team of highly qualified teachers will accompany your children over the next year. If you have any questions or concerns, please do not hesitate to contact us.

Please call us in the morning, if your child will be absent. You can reach us at 954-391-9847 (school), or Svenja Iglesias (Director / Owner) at 954-288-7599, or through the Procure App.

Thank you for your cooperation.

We look forward to a fun and educational school year!

Svenja Iglesias  
(Director/ Owner)

**PHYSICAL ACTIVITY PARTICIPATION**

The German-American School of Ft. Lauderdale provides a positive environment in which physical activity and skill development are an integral part of a daily preschool routine both indoors and outdoors. If weather permits children will be participating in outdoor activities in the morning and afternoon for approximately 25-35 minutes. Outdoor physical activity will consist of unstructured movement activities (free play) which include dancing, running, jumping, leaping, hopping, catching/throwing etc. Children need to wear comfortable appropriate attire to school. Please only sneakers or close shoes must be worn daily. No open toe shoes or sandals will be permitted at school.

Parent's Signature \_\_\_\_\_ Date \_\_\_\_\_

**FINANCIAL AGREEMENT**

We the parents of (child's Name)\_\_\_\_\_ understand and agree to abide by the following financial terms and procedures:

- 1-Payment is to be made by the 10th of each month at the latest. Tuition is required in advance each month and is non-refundable. A late charge fee will be added to tuition received after the 10th of the month. Please make checks payable to German -American School of Ft. Lauderdale. A returned check fee will be charged in the event of insufficient funds.
- 2- The yearly registration fee is non-refundable. It is our policy not to make up, or refund class days missed due to illness, vacations, natural disasters etc. If you wish to have additional attendance days on a temporary basis, they may be available as space permits, for an hourly fee.
- 3-Tuition paid for the preschool is pro-rated as well and includes all holidays. Tuition between September and May is due in full on a monthly basis. We do not prorate, or discount any absences due to illness or personal reasons or vacations.
- 4- All Delinquent accounts or returned uncollected checks will be submitted to the credit bureau and collection agency.
- 5- We need to be notified before the 1<sup>st</sup> of the month, if your child will be withdrawn or transferred from the program. Failure to do so will cause a financial obligation for the whole month.
- 6- Tuition between June and August can get paid on a daily, weekly or monthly basis. Each student's attendance days must be disclosed by the 1st of each month for the invoice to be written up.
- 7- Admission to school may be denied if you become 30 days past due and no previous arrangements have been made.

## Parent's Role

### A parent's role in quality child care is vital:

- Inquire about the qualifications and experience of child care staff, as well as staff turnover.
- Know the facility's policies and procedures.
- Communicate directly with caregivers.
- Visit and observe the facility.
- Participate in special activities, meetings, and conferences.
- Talk to your child about their daily experiences in child care.
- Arrange alternate care for your child when they are sick.
- Familiarize yourself with the child care standards used to license the child care facility.

## Quality Child Care

Quality child care offers healthy, social, and educational experiences under qualified supervision in a safe, nurturing, and stimulating environment. Children in these settings participate in daily, age-appropriate activities that help develop essential skills, build independence and instill self-respect. When evaluating the quality of a child care setting, you should consider the facility's quality indicators related to activities, caregivers, and environment.

### Quality Activities

- Activities are children initiated and teacher facilitated.
- Activities include social exchanges with all children.

### Quality Caregivers

- Caregivers are friendly and eager to care for children.
- Caregivers accept family cultural and ethnic differences.

### Quality Environments

- Environments are clean, safe, inviting, comfortable, and child-friendly.
- Environments provide easy access to age-appropriate toys.

For additional information, please visit [www.myflfamilies.com/childcare](http://www.myflfamilies.com/childcare) or contact your local licensing office.

This brochure was created by the Department of Children and Families in consultation with the Department of Health.

# KNOW YOUR CHILD CARE FACILITY

# Know Your Child Care Facility - General Requirements

Every licensed child care facility must meet the minimum state child care licensing standards pursuant to s. 402.305, F.S., and ch. 65C-22, F.A.C., which include, but are not limited to, the following:

- Valid license posted for parents to see.
- All staff appropriately screened.
- Maintain appropriate transportation practices (if transportation is provided).
- Provide parents with written disciplinary and expulsion practices used by the facility.
- Provide access to the facility during normal hours of operation.
- Maintain minimum staff-to-child ratios.

## Health Related Requirements

**Emergency procedures that include:**

- Posting Florida Abuse Hotline number along with other emergency numbers.
- Staff trained in first aid and pediatric cardiopulmonary resuscitation (CPR) on the premises at all times.
- Fully stocked first aid kit.
- A working fire extinguisher and documented monthly fire drills with children and staff.
- Medication and hazardous materials are inaccessible and out of children's reach.

## Training Requirements

- 40-hour introductory child care training.
- 10-hour in-service training annually.
- 0.5 continuing education unit of approved training or 5 clock hours of training in early literacy and language development.
- Director Credential for all facility directors.

## Food and Nutrition

Post a meal and snack menu that provides daily nutritional needs of the children (if meals are provided).

## Record Keeping

**Maintain accurate records that include:**

- Children's health exam/immunization record.
- Medication records.
- Enrollment information.
- Personnel records.
- Daily attendance.
- Accidents and incidents.
- Parental permission for field trips and administration of medications.

## Physical Environment

- Maintain sufficient usable indoor floor space for playing, working, and napping.
- Provide space that is clean and free of litter and other hazards.
- Provide sufficient outdoor play area.
- Maintain sufficient lighting and inside temperatures.
- Equipped with age and developmentally appropriate toys.
- Provide appropriate bathroom facilities and other furnishings.
- Provide isolation area for children who become ill.
- Practice proper hand washing, toileting, and diapering activities.

## Ratios

Age of Child	Child: Teacher Ratio
Infant	4:1
1 year old	6:1
2 year old	11:1
3 year old	15:1
4 year old	20:1
5 year old and up	25:1

To report suspected or actual cases of child abuse or neglect, call the Florida Abuse Hotline  
**1.800.962.2873**

During the 2009 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes provide parents with information detailing the causes, symptoms, and transmission of the influenza virus (the flu) every year during August and September.

My signature below verifies receipt of the brochure on *Influenza Virus, The Flu, A Guide to Parents*:

Name: \_\_\_\_\_  
 Child's Name: \_\_\_\_\_  
 Date Received: \_\_\_\_\_  
 Signature: \_\_\_\_\_

Please complete and return this portion of the brochure to your child care provider, in order for them to maintain it in their records.

## What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

### CALL OR TAKE YOUR CHILD TO A DOCTOR RIGHT AWAY IF YOUR CHILD:

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

## What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions. To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

## How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

## When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group setting until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.

For additional helpful information about the dangers of the flu and how to protect your child, visit: <http://www.cdc.gov/flu/>

## What is the influenza (flu) virus?

Influenza ("the flu") is caused by a virus which infects the nose, throat, and lungs. According to the US Center for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

## How can I tell if my child has a cold, or the flu?

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

For additional information, please visit [www.myflorida.com/childcare](http://www.myflorida.com/childcare) or contact your local licensing office below:

**"The Flu"  
A Guide  
for Parents**

CF/PI 175-70, June 2009

This brochure was created by the Department of Children and Families in consultation with the Department of Health.

INFLUENZA VIRUS

A change in daily routine,  
lack of sleep, stress,  
fatigue, cell phone use, and  
simple distractions are some  
things parents experience and  
can be contributing factors as  
to why children have been left  
unknowingly in vehicles...

# WHEN LIFE HAPPENS... DON'T BE A DISTRACTED ADULT

For additional information, please visit  
[www.myflfamilies.com/childcare](http://www.myflfamilies.com/childcare) or contact  
your local licensing office.

This brochure was created by the  
Department of Children and Families in  
consultation with the Department of Health.

## Distraction Prevention Tips:

- **Never** leave your child alone in a car and **call 911** if you see any child locked in a car!
- **Make a habit** of checking the front and back seat of the car before you walk away.
- **Be especially mindful** during hectic or busy times, schedule or route changes, and periods of emotional stress or chaos.
- **Create reminders** by putting something in the back seat that you will need at work, school or home such as a briefcase, purse, cell phone or your left shoe.
- **Keep a stuffed animal** in the baby's car seat and place it on the front seat as a reminder when the baby is in the back seat.
- **Set a calendar reminder** on your electronic device to make sure you dropped your child off at child care.
- **Make it a routine** to always notify your child's child care provider in advance if your child is going to be late or absent; ask them to contact you if your child hasn't arrived as scheduled.

During the 2018 legislative session, a new law was passed that requires child care facilities, family day care homes and large family child care homes to provide parents, during the months of April and September each year, with information regarding the potential for distracted adults to fail to drop off a child at the facility/home and instead leave them in the adult's vehicle upon arrival at the adult's destination.

## Facts About Heatstroke:

- ⚠️ It only takes a car **10 minutes** to heat up 20 degrees and become deadly.
- ⚠️ Even with a window cracked, the **temperature inside a vehicle** can cause heatstroke.
- ⚠️ The body temperature of a child increases **3 to 5 times faster** than an adult's body.

# Getting In; Getting Out...

## Check Behind The Car

- **BEFORE GETTING IN THE CAR AND STARTING THE ENGINE,** walk around the car and **CHECK FOR KIDS, TOYS, AND PETS!**
- Make sure there is **NOTHING UNDER OR BEHIND YOUR CAR** that could attract a young child.
- **PICK UP TOYS, BIKES, CHALK, OR ANY TYPE OF EQUIPMENT** around the driveway so that these items don't entice kids to play.

Developed by:  
**PREVENTION UNIT**  
Office of Family and  
Community Services

# Getting In; Getting Out...

## Check the Back Seat

- In just **10 MINUTES**, a car's temperature can increase by **19°**
- Before getting out of your car, check the back seat ... **DON'T FORGET YOUR CHILD!**
- **NEVER** leave your child alone in a car and **CALL 911 IF YOU SEE ANY CHILD LOCKED IN A CAR!**
- Place something in the back seat that you will need at work, school, or home (your laptop; your lunch).

Developed by:  
**PREVENTION UNIT**  
Office of Family and  
Community Services
